## Undertaking to Transfer Copyright

As the Corresponding Author, and on behalf of all the authors of this article, I undertake to transfer the copyright of the tagged article:

Written by ( author / author):

Author <sup>(1)</sup> .....

Author <sup>(2)</sup> .....

### Accordingly:

- Copyright is transferred to the publisher university center of Ain Temouchent (Algeria).
- The publisher owns the rights to use the article and make it available in paper or electronic format and publish it in any form and in a free format.
- The author (s) retains other moral rights, in particular the right to use the scientific material published in the article in other source. However, he does not have the right to republish it in another journal or book or in any other published form, without the written permission of the journal's editorial board.

### I also declare my honor and testify that:

- The scientific material submitted for publication is original, and its content is not taken from another source, and has never been published in another journal. I also undertake to not submit it to another journal if it is accepted for publication.
- The scientific material transferred from other sources and references has been carefully identified and marginalized in a correct manner according to generally accepted scientific academic standards.
