Afak for Sciences

Afak for sciences An international scientific journal, linguistic, literary, cultural, educational, court issued at the University of Djelfa Journal Publishing Areas: is concerned with publishing research and legal, political, legal, linguistic, literary, humanities, social and educational sciences (curricula and teaching methods, pedagogy, educational administration), economic studies, display of books and university theses, scientific reports on seminars and scientific conferences, and commenting on Laws and judicial rulings, and the achievement of manuscripts. The journal also publishes studies and research of authentic literary and scientific research for researchers in all these specialties from inside Algerian universities and from outside Algeria written in Arabic, English or French. It shall be observed that it is a proofreader and meets the accepted scientific and methodological requirements. Research and studies submitted for publication are presented to the jury consisting of specialists who are chosen in strict confidentiality, to show the extent of their authenticity, seriousness, the value of their results, the soundness of their presentation, and their suitability for publication. The researcher is obligated to make adjustments according to the observations made by the arbitrators.

Annual ICDS

En MIAR desde 09-07-2021

MIAR recolecta datos para la identificación y análisis de revistas científicas. Si se introduce en la casilla de búsqueda cualquier ISSN el sistema localizará en qué bases de datos de las contempladas en la matriz está indizada la revista, esté recogida o no en MIAR, y calculará su ICDS (sin contar el índice de Pervivencia si no forma parte de MIAR).
