Submit a paper to "Journal of Building Materials and Structures"

Once a user has successfully logged in, now he may choose a journal to start the submission process. To choose "Journal of Building Materials and Structures" submission system, copy and paste the following link: https://www.asip.cerist.dz/en/submission/292, or go to the ASJP home page > Engineering > Journal Of Building Materials And Structures > Article Submission.

The "Journal of Building Materials and Structures: Article Submission" will be displayed (see below). For well writing your paper you are invited to download the "journal template" and see "Instructions for authors". Then fill the information about your paper:

- 1. <u>Enter Article Title</u>: An Article Title is the first required step in the submission process.
- <u>Article File</u>: The Author is asked to attach the file associated with the submission. Click "Choisissez un fichier" to upload the file.
- 3. <u>Abstract</u>: The Author is asked to type or copy and paste the manuscript's Abstract.
- <u>Keywords</u>: Enter the Keywords for the manuscript, with each keyword separated by a semicolon (for example: self-compacting concrete; mechanical behavior; cement; rheology).
- <u>Author (s)</u>: All Author (s) are required to be registered. (A) A first name, (B) last name, (C) Institution, (D) Country and (E) e-mail address typically are required. Choose the contact person (F), who will receive all notifications (the Corresponding Author). For adding a co-author click on (G). For proposing two reviewers (H).
- 6. When all information have been filled, click 'Submit' at the bottom of the page to complete submission process.
