

# INSTRUCTIONS FOR AUTHORS

1. The articles to be published in LARHYSS / Journal should be sent by e-mail both at

bachir.achour @ larhyss.net and at ASJP <https://www.asjp.cerist.dz/en/PresentationRevue/125>

They should be written in MS Word in French or English. Authors are allowed to illustrate their article with colored figures.

2. On A4 paper, authors should adhere to the following margins:

**Top**: 3 cm ; **Bottom** : 6.34 cm ; **Left** : 4.25 cm ; **Right** : 4.25 cm

3. The article, of a maximum 20 pages written in TNR 11 and simple spaced, must include:

3.1. An abstract in both French and English languages from 150 to 200 words.

3.2. An introduction followed by the text.

3.3. A conclusion.

3.4. A list of references in alphabetical order (References must not be numbered). All authors of the article must be indicated. **Write the name of the journal where the article is published in full and not in abbreviated form.**

3.5 Authors' names, followed by the first initial, must be written in capital letters, bold Italic in TNR 11.

3.6. The affiliation of the authors must be written in lowercase TNR 10.

3.7. The title of the article must be written in capital letters, bold, TNR 11, in English and French.

3.8. The words RESUME, ABSTRACT and INTRODUCTION must be written in Capital letters, bold, TNR 11.

3.9. The paragraphs making up the article must not be numbered. The main title of the paragraph must be written in capital letters and in bold. The first subtitle must be written in lowercase and in bold. The second subtitle must be written in lowercase italic and bold.

3.10. Regarding the title of the Figures and Tables, write the words Figure and Table in full and in bold, TNR 11. The title of the figures must be written in TNR11. **Only the words Figure and Table are in bold.**

3.11. In the text, bibliographic references should be written in parentheses and in lower case, indicating the last name of the author (s) and the year. Example (Morin, 1956), (Reuch and Daltan, 1950).

## How to write references

### 1. When it is an article of one or more authors

CANLON B.R. (1991). Evaluation of moisture flux from chloride data in desert soils, Journal of Hydrology, Vol.128, Issues 1-4, pp. 137 – 156.

SCANLON B.R., GOLDSMITH R.S. (1997). Field study of spatial variability in unsaturated flow beneath and adjacent to playas, Water Resources Research, Vol.33, Issue 10, pp. 2239 – 2252.

ROGER NORRIS H., THOMAS M.L., TOLLNER E.W. (2008). Modeling stormwater runoff from green roofs with, HYDRUS-1D, Journal of Hydrology, Vol.358, Issues 3-4, pp. 288–293.

### 2. When it comes to a thesis

LENEUF N. (1959). L'altération des granites calco-alcalins et des garnodiorites en Côte d'Ivoire forestière et les sols qui en sont dérivés, Thèse de. Doctorat ès Sciences Naturelles, Université de Paris, France, 227 p.

### **3. When it comes to a report**

MSHP (2006). Rapport relatif aux déchets toxiques déversés sur la ville d'Abidjan, Ministère de la Santé et de l'Hygiène Publique de Côte d'Ivoire, 3 p.

### **4. When it comes to a book**

RODIER J., LEGUBE B., MERLET N., BRUNET R. (2009). L'analyse de l'eau, Eaux naturelles, Eaux résiduaires, Eau de mer: Analyse de l'eau, 9ème édition, Dunod, Paris, France, 1600p.
