Submit an article

For publication in the international Review, it is appropriate to :

1. Check and accept criteria of publication;
2. Fill the form and insert your article in the file that is automatically downloaded in word format;
3. Sending the article in MS Word document (Doc or Docx), through the electronic link of the review at the ministerial platform :
<http://www.asjp.cerist.dz/en/PresentationRevue/3> ;
4. No publication fee (free of charge, since 2011).

Author's guide

1. Submission of Articles:

Authors who wish to publish their articles in the “**Journal of Sport Science Technology and Physical Activities**” are invited to read the sections: "Instructions for authors" and "Guide to authors" of our website on the Algerian scientific journals platform :

<https://www.asjp.cerist.dz/en/PresentationRevue/3>

Authors are invited to submit their papers via the ASJP platform in Word format. You can do this by clicking on the Send Article icon to the left of the screen in the ASJP platform link :

<https://www.asjp.cerist.dz/en/PresentationRevue/3>

If the authors have a **username / password** for the “**Journal of Sport Science Technology and Physical Activities**”:

Go to the connection

Do you need a username / password?

Go to registration

Note: Registration and access are required to submit articles online and to check the status of articles.

2. Guidelines for Author:

- We Invite authors to read and follow up these recommendations carefully;
- The Editor-in-Chief is having the right to return the research papers that have not been submitted in accordance with these recommendations.

3. Evaluation of the Article:

3.1. First step: Examine the article secretly at the level of the reading committee of the Journal, which meets regularly and intervenes in the pre-evaluation stage. The committee takes a decision to qualify the articles before sending them to the assistant editors. If the decision is negative, the article will be rejected on the platform and informed the author the reason for the rejection. The author can resubmit it taking into account the recommendations made;

3.2. Second step: In the event that the article is eligible for the evaluation (prepared according to the journal template and under the terms of publication), it will be sent in an encrypted state to the Specialist Associate Editor, who in turn will submit it to two reviewers on its network. The reviewers will be responsible for judging the paper according to a standardized evaluation form available on the ASJP platform.

Note: The Associated Editor can also evaluate the article if he desired. The secretary of Journal provides the link between the authors of the articles and the Associated Editorials.

4. Period of Evaluation of Articles:

A 30-day evaluation period is provided, but reviewers take an average of two months to send evaluation results to the journal secretariat.

5. Status of Articles Evaluation:

When the draft article receives a positive opinion and another negative, a third assessment is requested from another reviewer, taking into account its origin, nationally or internationally.

6. Preparation of the Article:

To speed up the publication of articles in the “Strategy and Development Review”, we invite authors to use the Journal template. A template for authors is available in the “instructions for author” section to insert their articles.

Authors can download the template from the “Instructions for author” section, where they can access this by visiting:

<https://www.asjp.cerist.dz/en/PresentationRevue/3>

Then click "**Instructions for author**" on the left side of the screen.

7. See the Author's Manual File:

By clicking on the "**Author's Guide**" icon, a zip file is uploaded. This is a guide to the author of the article explaining the process of sending the article. It also includes the copyright of the Journal and includes a letter of undertaking to which the author of the article explains that the intellectual property belongs to the Journal only.

8. Send the article:

After preparing the article according to the template of the Journal that was downloaded, and see the author's guide, the "**Send Article**" icon is clicked. An application form containing the various data for the article and authors appears: Language of the article, Paper title, Abstract, Keywords, Full name for author, Institution, Email, (A second author can be added), Proposal of reviewers.

After filling out all the data and uploading the article file on the platform, clicked the "**Send Article**" icon at the bottom of the information form.

9. Notification of Receipt of an Article:

If the article submission process is successful on the platform, a message appears on the screen showing that. At a certain stage, the author will receive in his email a notice of the submission of an

article, and a notice to the second author in his email as a confirmation of participation in the article.

10. Notice of Rejection of the Article:

If it turns out that the article does not respect the template of the Journal and the conditions of publication. The author will be notified that the article has been rejected.

11. Follow-Up of the Position of the Article on the Platform:

The author can enter his account in the platform and follow the status of his article stage by stage by clicking on the icon: "**Articles**" and then clicking on the icon: "**Sent Articles**" will show a table that details the article from: Address; Date of Article submission; Journal Name; Details; The latter goes through several stages:

- Stage 1: Accepting or rejecting arbitration;
- Stage 2: A pending article;
- Stage 3: Send the article to the reviewers;
- Stage 4: The decision of the reviewers to accept the article or rejected or request for modification.

12. Plagiarism Policy:

Scientific theft, in all its forms, constitutes immoral behaviour for the Journal. No breach of this rule is accepted. No other article will be accepted for the author who has been impersonated by our review.
