## Preface

The Algerian Journal of Signals and Systems: "AJSS" is a publication which is issued quarterly of the Laboratory of signals and Systems at the institute of Electrical engineering; University M'hamed Boumerdes.

Papers dealing with all aspects of electrical systems and signals are considered for publication. Manuscripts must be in English, original and should not be under consideration for publication by any other journals. The authors are invited to send both the pdf and Word files of their papers using the journal email. This issue is a special issue of the International Conference on Technological Advances in Electrical Engineering (ICTAE'2016) held at Skikda University, Algeria in the period October 24-26, 2016. We thank the organizers for the efforts they have made and the authors for sending their papers to AJSS

We are convinced that «Algerian Journal of Signals and Systems» will provide the opportunity to publish papers with authentic and insightful scientific and technological information on the latest advances in electrical and electronic engineering. We are looking forward to your submissions to our Journal.
