## **Journal Description**

Management & Economics Research Journal is a peer reviewed scientific quarterly international and free of charge (Non-commercial and do not impose fees for acceptance of publication, printing and Reviewing), open-access journal, issued regularly by Faculty of Economics, Commercial and Management Sciences at Ziane Achour University Djelfa (Algeria), in four issues (March, June, September, December) from each year, Management & Economics Research Journal constitutes a wide scientific space for various academic public, researchers, problem-solvers and decision-makers from inside and outside Algeria, for purpose of publishing original research previously unpublished and not submitted for

publication anywhere else and characterized by quality and originality, and edited in Arabic or English languages. The goal of the journal is to create a scientist space with the issues related to Business, Management, Accounting, Economics, Econometrics and Finance in the Algerian, African and International context, which can be analyzed and discussed by academics and researchers, national and international, of the highest level. Given its international orientation, the Journal is especially open to scientifically and practically valid contributions from abroad. The Journal provides the online Open Access to the content in full text of all published contributions.

The Journal is interested in the following fields of research:

**Business, Management and Accounting:**

- Business, Management and Accounting (miscellaneous).

**Economics, Econometrics and Finance:**

- Economics, Econometrics and Finance (miscellaneous).

Management & Economics Research Journal is indexed by the following abstracting and indexing services:

- **ERIH PLUS**: European Reference Index for the Humanities;
- **DOAJ**: Directory of Open Access Journals;
- **Norwegian Register for Scientific Journals, Series and Publishers (Level 1)**;
- **ROAD**: Directory of Open Access scholarly Resources;
